**Welcome to the 34th Annual  
Somerville Pioneer Marching Band Festival!  
October 11, 2014**

Greetings and welcome! The Somerville High School Music Boosters Association (SHSMBA), the SHS Pioneer Marching Band, and staff, thank you all for coming today! Your participation and enthusiasm is a key component to the success of our Festival, and serves to support music and the arts in our public schools.

We extend a special warm welcome and our thanks to all the talented bands, directors and staff, performing today. We look forward to a fun filled evening of exciting performances, showcasing the hard work and dedication of each band member. We wish you all the best, and hope you have your best performance of the season thus far. Good luck to all!

As a parent of a band student, and former band students, I know firsthand the time, energy, and sacrifice given by a band members' entire family. A shout out to all the families for your devotion to your student's educational experience!

I would personally like to thank all of the SHSMBA volunteers who worked countless hours to make this festival a success. We could not do this without your dedication and talent! SHSMBA also sends a big thank you to our dedicated band parents, family and friends for their constant support, car pools, donations, food supplies and all you do for the kids.

The success of our Marching Band Festival depends on the participation and generosity of many organizations and individual donors. We are very grateful to the many donors who made this event possible. Thanks to all our advertisement and trophy sponsors for their financial support.

Thanks to Superintendent Dr. Purnell, the entire Somerville High School Administration and Staff, and the Somerville Board of Education for their support. A special shout out to the SHS Maintenance and Grounds Department for their support and assistance in preparing our facility for this event and all our events throughout the year. Thanks also to Immaculata High School for the use of their facilities, and to the USBands staff for helping us organize this event.

Special thanks to Mr. Ken Cornell for his enthusiasm and support of the SHS Pioneer Marching Band.

The SHS Marching Band members and parents are also greatly appreciative of our talented Marching Band Director, Mr. Krempasky, Assistant Band Director, Mr. Loreti and the entire Marching Band Staff, who work hard all year long to build a fantastic program. You are the best!

Finally, best luck to the **SHS Pioneer Marching Band**. Have a great night and a successful and fun season! We are so proud of your accomplishments.

Enjoy our 34th Annual Somerville Pioneer Marching Band Festival!

Sincerely,

*Toni*

The Marching Black & Gold  
present its 2014 Production:  
“Rise of the Machine”

The “Marching Black and Gold” is proud to present its 2014 production “Rise of the Machine” which explores the balance of the organic and inorganic in our world. In this year’s production, the color guard will represent all that is organic – earth’s natural beauty, while the percussion section will represent all that is inorganic and mechanical. Join our woodwind and brass sections as they struggle between choosing the purity of nature or the cool precision of “The Machine”.

# USBANDS

PRESENTED BY THE CADETS

Formed in 1988, 2014 marks USBands' 26th season with nearly 150 local, regional and national events across the country. With over 600 schools participating in events, the USBands has become the largest independent scholastic music organization in the nation.

USBands is a program offering of Youth Education in the Arts. The mission of YEA! is to support the development of young people into magnificent human beings through participation in the performing arts.

In addition to marching band events and serving as a resource to music programs across the country, USBands programs include the Winter Colorguard and Percussion events, and the Concert Series at world-renowned venues. Through the USBands University initiative, the organization provides student leadership workshops, judge training seminars and presentations to band boosters and school administrations.

USBands' focus is on the educational development of today's music student through hands-on, interactive learning opportunities, raising awareness to the importance of music programs in the schools, and providing opportunities for students to showcase their talents in high quality events.

## Basic Judging Criteria

The classification of bands is used to make sure bands of like size, style and experience are grouped together to compete.

Groups I through VI are based on the total number of performers

Classes are based on the level of experience of the band (Class A and Open)

### Bands are judged in three basic captions

- Music (Select events have separate Individual and Ensemble Adjudicators)
- Visual (Marching and Colorguard components)
- Effect (How the music and visual components of the overall production work together)
- Percussion & Colorguard (Select events have Adjudicators assigned to evaluate the Percussion and Colorguard performances)

# March 4 Music Launches to Support Music in Schools

**March 4 Music** is a first of its kind cooperative fundraising partnership between high school music programs and USBands to support music education in communities across America.

Utilizing the model of a benefit charity walk combined with online social networking, USBands and participating schools will conduct individual "Marchathons" to raise funds and awareness of the merits of music education in their communities.

## 4 Ways March 4 Music Makes Fundraising Easy!

- 1 A March 4 Music Manager will be assigned to your school's fundraiser to assist in answering questions, facilitating the letter writing campaign and the day of event activities.
- 2 All aspects of the March 4 Music event will remain transparent through a universal website easily accessed by authorized school personnel.
- 3 March 4 Music's vast marketing and event planning resources will assist in making a successful event for your program.
- 4 Your band will receive all funds within 30 days of the March 4 Music event.

*To date, March 4 Music has helped participating bands raise over **\$40,000** for music education!*

# Teaching life lessons through music

## Youth Education in the Arts

For nearly eight decades, Youth Education in the Arts has been using music to teach life lessons of teamwork, perseverance and commitment to excellence.

In the same way sports and other youth agencies use their disciplines to assist young people on their way to magnificence, YEA! uses music to achieve these same outcomes.

THE CADETS

CADETS²

USBANDS

**The Cadets**, a program of Youth Education in the Arts, is one of the oldest and most honored continuously operating drum and bugle corps, with members from all over the country and world. The corps was founded in Garfield, NJ as the Holy Name Cadets in 1934 and has won 25 national championships and 10 world championships. The Cadets travel over 15,000 miles each summer entertaining hundreds of thousands of drum corps fans throughout the nation.

**Cadets²** is the weekend-only, regionally based alternative to the 10-time World Champion Cadets and provides the same world class experience in design and instruction to 128 young men and women between the ages of 16 and 25 in the Mid-Atlantic region.

Designed for those individuals who cannot commit the time or resources to a full national tour with The Cadets, Cadets² rehearse once per month in the winter and spring in Allentown, before weekly rehearsals and performances between Memorial Day and Labor Day.

**Cadets Winter Guard** will take the floor in Independent Open Color Guard Competition for the first time in 2015. The guard is based in Allentown, Pa. and will rehearse in N.J., competing regionally. Founded upon The Cadets Color Guard's history of intricate choreography and excellence in their craft, CWG offers world-class instruction to men and women ages 16 to 22.

In its inaugural year, **Cadets Winter Percussion** won the 2014 WGI Independent Open Class World Championship. Based in Allentown, Pa., the ensemble is founded upon The Cadets Percussion Section's long-standing tradition of excellence and offers world-class instruction to 25 percussionists ages 16 to 22 in and around the Lehigh Valley.
