**Welcome to the 33rd Annual
Somerville Pioneer Marching Band Festival!
October 26, 2013**

Greetings and welcome! The Somerville High School Music Boosters Association (SHSMBA), the SHS Pioneer Marching Band, and staff, thank you all for coming today! Your participation and enthusiasm is a key component to the success of our Festival, and serves to support music and the arts in our public schools.

We extend a special warm welcome and our thanks to all the talented bands, directors and staff, performing today. We look forward to a fun filled evening of exciting performances, showcasing the hard work and dedication of each band member. We wish you all the best, and hope you have your best performance of the season thus far. Good luck to all!

As a parent of a band student, and former band students, I know firsthand the time, energy, and sacrifice given by a band members' entire family. A shout out to all the families for your devotion to your student's educational experience!

I would personally like to thank all of the SHSMBA volunteers who worked countless hours to make this festival a success. We could not do this without your dedication and talent! SHSMBA also sends a big thank you to our dedicated band parents, family and friends for their constant support, car pools, donations, food supplies and all you do for the kids.

The success of our Marching Band Festival depends on the participation and generosity of many organizations and individual donors. We are very grateful to the many donors who made this event possible. Thanks to all our advertisement and trophy sponsors for their financial support.

Thanks to Superintendent Dr. Purnell, the entire Somerville High School Administration and Staff, and the Somerville Board of Education for their support. A special shout out to the SHS Maintenance and Grounds Department for their support and assistance in preparing our facility for this event and all our events throughout the year. Thanks also to Immaculata High School for the use of their facilities, and to the USBands staff for helping us organize this event.

Special thanks to Mr. Ken Cornell for his enthusiasm and support of the SHS Pioneer Marching Band.

The SHS Marching Band members and parents are also greatly appreciative of our talented Marching Band Director, Mr. Krempasky, Assistant Band Director, Mr. Loreti and the entire Marching Band Staff, who work hard all year long to build a fantastic program. You are the best!

Finally, best luck to the **SHS Pioneer Marching Band**. Have a great night and a successful and fun season! We are so proud of your accomplishments.

Enjoy our 33rd Annual Somerville Pioneer Marching Band Festival!

Sincerely,

Toni Rehe

Teaching life lessons through music

Youth Education in the Arts

USBANDS

The Cadets, a program of Youth Education in the Arts, is one of the oldest and most honored continuously operating drum and bugle corps, with members from all over the country and world. The Cadets travel over 15,000 miles each summer entertaining hundreds of thousands of drum corps fans throughout the nation.

Cadets² is the weekend-only, regionally based alternative to the 10-time World Champion Cadets and provides the same world class experience in design and instruction to 128 young men and women between the ages of 16 and 25 in the Mid-Atlantic region.

Designed for those individuals who cannot commit the time or resources to a full national tour with The Cadets, Cadets² rehearse once per month in the winter and spring in Allentown, before weekly rehearsals and performances between Memorial Day and Labor Day.
